Birds	
Human	
Cow	
Birds	
Elephant	
Frog	
Cat	
Monkey	

Chapter 2 All About Plants

1. Circle the root vegetables.

2. Label the parts of plant.

3. Choose the best answer.

i. We eat this root.

- | | |
|-----------|-----------|
| a. Mango | b. Potato |
| c. Apples | d. Tomato |

ii. _____ hold plants firmly to the ground.

- | | |
|-----------|------------|
| a. Roots | b. Stems |
| c. Leaves | d. Flowers |

iii. _____ plant does not have flowers.

- | | |
|-----------------|----------------------|
| a. Rose | b. Fern |
| c. Both a and b | d. None of the above |

Chapter 3

The Natural Environment

1. Look at the pictures and write the correct natural resources in the column.

2. Answer the following questions.

i. Why are non-living things important to us?

ii. List the names of some water resources.

3. Choose the best answer.

i. Cutting down a large number of trees and clearing forests.

a. Deforestation b. Wood

ii. Which of the following is provided by plants for clothing?

a. Oil b. Cotton

iii. We get oxygen from

a. Air b. Land

Chapter 4 Water

1. Match the picture to the correct word.

HUMAN MADE

NATURAL RESOURCES

2. Write four uses of water.

3. Describe ways we can save water.

4. List the areas in Pakistan that are facing a water shortage.

Chapter 5 Matter

1. Complete the sentences below with either 'a natural material' or 'a man-made material'.

a. Glass is _____

b. Wood is _____

c. Paper is _____

d. Fabric is _____

e. Plant is _____

f. Stone is _____

g. Plastic is _____

2. Choose the best answer:

i. _____ is a natural material.

- | | |
|------------|----------------------|
| a. Plastic | b. Wood |
| c. Glass | d. None of the above |

ii. _____ is a human-made material.

- | | |
|-----------|----------------------|
| a. Wood | b. Plastic |
| c. Rubber | d. None of the above |

iii. Glass is made up of _____.

- | | |
|------------|-----------|
| a. Sand | b. Rubber |
| c. Plastic | d. Metal |

3. Observe the picture and write its properties in the column.

Soft, Hard and Elastic

Chapter 6 Heat

1. Choose the correct word for each picture:

Sunlight burning rubbing electrical heater

2. What are some sources of heat?

3. Fill in the blanks.

- a. We use heat to _____ food.
- b. _____ iron is used to iron clothes.
- c. _____ is a ball of hot burning gases.
- d. If we play or stand outside in the _____, we feel warm.
- e. Electricity also produces _____ by electric heater.

Chapter 7 Light

1. Look at the sources of light below. Colour the natural sources of light in green and the man-made sources of light in yellow.

Sunlight

Bulb

Fireflies

Candle

Torch

2. State whether the statement is true or false.

Bulb is a natural resource of light	
Light is a form of energy	
Light doesn't come from many resources	
Light helps us to see in the darkness	
Plant grows with the help of sunlight	

3. Draw traffic signals and color them.

Chapter 8 Force And Magnetism

1. Look at the pictures and name the forces you see.

2. Choose the correct answer.

- i. Pushing something can make objects move _____ from you.
- a. Far b. Near
c. Both d. None of the above
- ii. You can do this with the help of push or pull.
- a. Make objects move b. Make objects stop
c. Speed up the object d. All the above
- iii. _____ is called movement.
- a. Force b. Motion
c. Machine d. None of the above

3. Select the correct answer.

- a. If you push the swing harder, it goes
(Higher / Lower)
- b. If you gently push a rolling ball, it
(Slows down / Moves faster)
- c. If you push something in the opposite direction that it was moving, it
(Stops / Keeps moving in the same direction)
- d. If you push a toy car to the left, it goes
(Right / Left)

Chapter 9 The Solar System

1. Write two sentences about the Sun.

The Sun:

2. Answer the following questions in one word:

- a. The smallest planet in the solar system is _____
- b. The fourth planet in the solar system is _____
- c. The biggest planet in our solar system is _____
- d. A warm ball that gives us light and energy. _____
- e. Which planet in our solar system has 13 moons? _____

3. Complete the word puzzle:

P	L		N		T
---	---	--	---	--	---

M	A		S
---	---	--	---

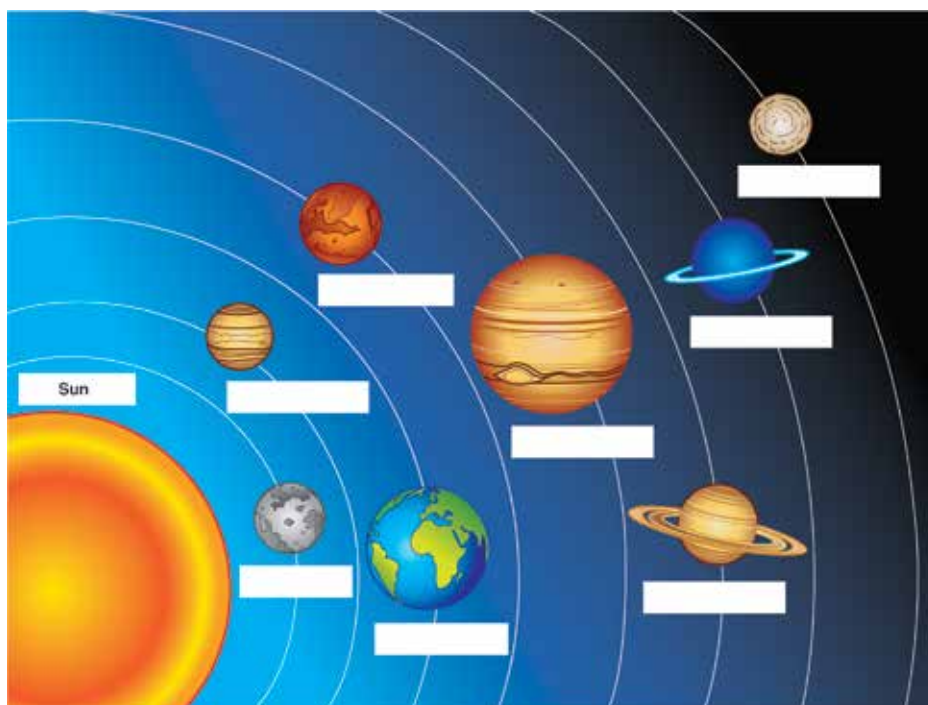

E		R		H
---	--	---	--	---

U	R		N		S
---	---	--	---	--	---

M			N
---	--	--	---

4. Draw the Moon and the Sun and color them:

The Moon	The Sun

5. Label the provided image of the solar system.
