$\leftrightarrow$	t <u></u>		<sup>†</sup> □ 1918 × 1022px				1	00% 😑 📃 📕	- +
		2	5	0					3

2. Match the parts for Microsoft Paint:

Paint Button	The button that closes the program.
Colour Palette	Opens the Microsoft Paint program.
Exit Button	Lets you choose different colours to draw with.

 $\bigcirc$ 

 $\overline{}$ 

## Number the steps in correct arrangement

1. Steps to open a file in paint:

Open a saved file in Microsoft Paint

Select the drawing.

Click the Open button.

Select the drive and the folder

## 2. Saving a drawing in Microsoft Paint

Click the Save button.

The Save As dialog box appears

Click the Save option in File menu.

Type a file name in the File name box.

Select the drive and the folder to save your drawing in.

## **CREATING WORLDS WITH MS PAINT**

- 1. I can be big or small, straight or round, and I help you draw on the screen. What am I?
- 2. I come in many colours, but I am not a rainbow. I change how your writing looks. What am I?
- 3. I help you paint on the screen and it can be big or small. What am I?
