Define the following keywords.

1. Breathe

---

---

2. Gills

---

---

3. Nutrients

---

---

4. Carbon dioxide

---

---

5. Environment

---

---

6. Natural Resources

---

---

7. Canal

---

---

8. Dam

---

---

9. Recycle

---

---

10. Natural

---

---

11. Material

---

---

12. Waterproof

---

---

13. Heat

---

---

14. **Heat:** The flow of energy from one material to another.

---

---

15. **Source:** A place or something from which something can be obtained.

---

16. **Intensity of light:** How bright or dull the light is.

---

---

17. **Source of light:** Anything that gives out light.

---

---

18. **Planet:** A body which revolves around the Sun.

---

---

19. **Solar:** Related to the Sun.
